1. Introduction

As a school we aim to provide, in partnership with parents, a safe, secure and stimulating learning environment where children can achieve their full potential and pursue excellence. Every child is unique and we are united in striving to provide the very best opportunities for all of the children. As a school we are constantly reflecting on all that we do and value your input.

We take all concerns very seriously and make every effort to resolve matters as quickly as possible. We have the best interests of all our pupils and their families at the centre of everything we do. In this regard, we encourage anyone with a concern to speak to us as soon as possible. If concerns are dealt with at an early stage, then they are more likely to be resolved and there is no unnecessary dissatisfaction.

Therefore, we operate an open door policy and should you ever have any concerns of a classroom nature please contact your child's teacher. Please ensure you arrange a time that suits both you and the teacher. You can do this by emailing the school office and requesting an appointment.

If you feel your concern needs to be discussed further or has not been resolved, then please speak to the Head of Key Stage, Head of Pastoral or Vice Principal (see 1.2 Communication Chart).

In addition, the Principal is more than happy for you to contact her should you have any concerns about any aspect of school. If she is unavailable at that time she will arrange a time that is mutually convenient. Concerns about matters other than in the classroom should be raised with the Principal, again telephone or send a note to arrange an appointment. We take all concerns seriously and make every effort to resolve matters as quickly as possible.

It is our aim to resolve any concerns which have been raised, however, should there be concerns which you feel are unresolved and you wish to make a complaint, please follow the procedures outlined in this policy.
