AR Update

.....

We finished this year with 50 word millionaires and 10 multi-millionaires. This is an incredible achievement and we are proud of all our readers in Fairview. Thank you to all who have sent in books for our school and class libraries. They are all well stocked now and ready to support P4-P7 next year reach their million words and beyond! Keep reading over the summer... remember tests for any books read over the summer can be taken in September.

P7 Leavers

Last Friday we said 'farewell' to our wonderful P7 pupils. It has been a strange and challenging couple of years for them, particularly with many of them having to deal with the uncertainty and upset of AQE. The P7 staff made these last couple of weeks very memorable for them with a trip to the YMCA, getting to carry out their usual 'P7 River Study' at the Sixmile Park and being able to have their fun day with Bouncy Castles, BBQ, Ice-cream van and the obligatory June rain!

As a year group they were a great set of pupils and we have been proud to have had each and every one of them at Fairview. Over this last school year we have discovered that they are a very resilient bunch and are all ready for the next step along their educational journey!

We wish them well for whatever school they move to. With hard work, good friends, and supportive families around them, they will all do well!

Important Information

You will all have received your child's end of year report on Monday. Enclosed with the report was an extensive letter outlining what will be happening on your child's return at the end of August.

Please make sure you have read the letter and keep it until the end of the summer as there is important information enclosed, particularly around the school finishing times for the new academic year.

You will also have received a Summer Shopping List from your child today. With school budgets becoming more and more challenging, we very much appreciate you purchasing these necessary supplies for your child. Thank you.

End of Year Message

It is almost hard to believe that we have finally reached the end of our second very challenging school year in terms of Covid! I am so thankful that through the course of the year we only had the one 'bubble' in isolation.

Thanks needs to go to all the staff for their hard work in ensuring all our pupils were kept safe. They adhered to their bubbles and did not mix during the school day. School was, at times, very 'regimented' but it did not detract from the learning experiences and fun still happening in the classrooms!

I also want to thank you, the parents, for ensuring you wore masks, for keeping your distance whilst on school grounds and generally following school's necessary requests for a Covid-safe school!

Throughout Term 2 everyone played their role with home learning. Once again, this was not easy for most families but as a school we very much appreciated the support you gave your child whilst working in collaboration with the class teacher.

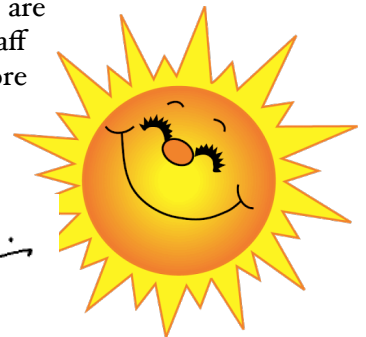

2021/22 may be starting off in the same way as we finish 2020/21, but I am ever hopeful that 'normal' school life will soon resume and I will write to you early in the new school year with any updates.

I want to pass on my sincere thanks to you for the many gifts, cards and messages of appreciation received by the staff and myself over the last number of days. Your kindness has reinforced the co-operation and 'team work' which exists between school and home, here at Fairview. Your generosity has been very much appreciated.

As outlined in the last newsletter, many of our staff are moving on to pastures new today and I want to wish them every success for their future. They have all played an important and valuable role in Fairview.

Finally, 'well done' to our wonderful pupils who have survived this school year! We are so proud of our children and what they have achieved. I hope our pupils and staff can now enjoy a long summer break ahead and get a well-deserved rest, before returning at the end of August. Happy holidays, everyone!

P. Matthews.

Community News

The sun is out and the kids are off school soon. If boredom sets in, how about supporting your school and our local business? We are 'Scarlett's Bouncy Castles and Party Ponies' - a local family-run business that is fully insured. We would love to support Fairview's PTA, and for every bouncy castle that is booked from a Fairview parent quoting the code 'Fairview 21', we will donate £5 to Fairview Primary School's PTA. Visit us on Facebook or call 07842969593.
